By Exclusive Arrangement Britannica Schools presents for Home Study

the
Iowa Writers'
Workshop

FOUR COURSES

WRITING POETRY

ADVANCED POETRY WRITING

FICTION WRITING

ADVANCED FICTION WRITING

Britannica Schools

Dept. 109, 14 East Jackson Boulevard, Chicago, Illinois 60604

Now, for the first time, the same resident faculty which has made the Iowa Writers' Workshop the most respected and successful of its kind in the nation, has adapted its teaching techniques to home study.

Now, the imaginative methods which have advanced the talents of hundreds of writers, become a unique off-campus program which develops writing technique through critical analysis and analytical reading as an integral part of learning.

Make no mistake. These courses are in no sense a "way to make big money" answer to the writing of poetry or fiction. But for the person who is willing to meet the challenging demands of the Britannica Schools/Writers' Workshop this guarantee can be made: at the very least, you will learn a great deal about the craft of writing.
